

# MUNICIPAL SERVICES

Skelton, Brumwell has been providing quality and trusted consulting services to clients for over 45 years.

We have extensive experience in municipal planning and administration as well as providing sound and reliable advice to land developers, property owners and investors.

We recognize the many challenges faced by our diverse clients while meeting increasingly complex needs with constrained budgets.

We also know that effective communication with our clients, the public, agencies and stakeholders is critical to meeting those challenges.

We provide our clients with up-to-date and accurate information to ensure informed, responsible and innovative decision making.

We focus on providing value-added services that are concise and our goal is to provide those services as efficiently and effectively as possible.
