

# LEAH QUIN

## BES, PLANNER

Leah is a graduate from the University of Waterloo specializing in Environmental Planning & Management. She has experience in the public sector undertaking policy research and analysis, as well as Official Plan Reviews, Zoning By-law Amendments, Minor Variances, development application reviews, and public consultation. She has supported implementation of local and regional active transportation master plans and has experience in heritage & cultural planning. She also has a background in implementing and evaluating watershed-based policies in the Great Lakes basin.

In the private sector, Leah is experienced in Official Plan and Zoning By-law Reviews, Community Planning Permit Systems, municipal peer review services, watershed planning, and private development services. She has facilitated many formats of public and stakeholder engagement, including roundtables, workshops, open houses, Council meetings, and project websites.
